The Preface for today's glorious feast pleads with the eternal Father, Whose only-begotten Son is High Priest and universal King, that "all creation being made subject to His dominion, He might deliver into the hands of Thine infinite Majesty a kingdom eternal and universal, a kingdom of truth and life, a kingdom of holiness and grace, a kingdom of justice, love, and peace." AMEN.

In 1214, St Dominic received the Rosary in its present form from the Blessed Virgin, as a powerful means of converting the Albigensians and other sinners.

St Dominic, seeing the heretics' obstinacy, prayed, wept, and did penance unceasingly for three days and three nights. Our Lady appeared and asked, "Dear Dominic, do you know which weapon the Blessed Trinity wants to use to reform the world? I want you to know that, in this kind of warfare, the battering ram has always been the Angelic Psalter which is the foundation stone of the New Testament. Therefore, if you want to reach these hardened souls and win them over to God, preach my Psalter."

St Dominic, comforted, made straight for the Cathedral. Unseen Angels rang bells to summon the people. At the very beginning of his sermon an appalling storm broke out, the earth shook, the sky was darkened, and there was so much thunder and lightning that all were very much afraid. Even greater was their fear when looking at a picture of Our Lady, they saw her raise her arms to Heaven three times to call down God's vengeance upon them if they failed to convert, to amend their lives, and seek the protection of the Holy Mother of God.

At last, at the prayer of St Dominic, the storm came to an end, and he went on preaching. So fervently and compellingly did he explain the importance and value of the Holy Rosary that almost all the people of Toulouse embraced it and renounced their false beliefs. In a very short time a great improvement was seen in the town; people began leading Christian lives and gave up their former bad habits.

The Kingdom of the Sacred Heart

In the *individual soul* Christ reigns as King when the soul's entire being is devoted to His service, when He is the chief and primary Object of its love. Its every thought and word and action, its sufferings and its toils, are all for Him - at least, habitually. This is the idea of the Morning Offering. In a word, the whole composite, body and soul, that constitutes the human being, is by the solemn act of the will dedicated to His service.

Jesus longs especially to reign in the *home*, within the family circle, thereby to load its members with the superabundant and all-powerful graces and blessings of His Sacred Heart. To this end it might be well, first, to make a solemn act of consecration of the family to the Sacred Heart, renewing it each June; second, to have a picture of the Sacred Heart exposed and honored in the home. Saint Margaret Mary assures us that Our Lord Himself desired that the image of His Sacred Heart should be exposed and venerated in the home. "I will bless those homes in which the image of My Sacred Heart shall be exposed and honored."

Trust Him

*Trust Him when dark doubts
assail thee, trust Him when
thy strength is small,
Trust Him when to simply
trust Him seems the hardest
thing of all.
Trust Him, He is ever faith-
ful; trust Him, for His will
is best.
Trust Him, for the Heart of
Jesus is the only place of
rest.
Trust Him, then, through
doubts and sunshine, all thy
cares upon Him cast,
Till the storm of life is over,
and thy trusting days are
past.*
